10 Best Dining: Enjoy A Taste Of Italy At These Fabulous Las Vegas Restaurants

8 Trevi

Even in the desert, the weather isn't always ideal for year-round patio dining. That is, of course, unless you're dining at Trevi. Boasting one of the best indoor patios in town, guests will feel like they're dining in Rome as they sit next to the Fountain of the Gods inside The Forum Shops at Caesars, feasting upon a flavorful Italian menu while watching all the shoppers pass by. Menu must-tries include Trevi's signature deep dish Lasagna Pizza with layers of Italian sausage, ricotta and mozzarella cheese and tangy pomarola sauce and its signature Linguine ai Frutti di Mare: a medley of lobster, shrimp, scallops, tomatoes and scallions in a wonderful seafood cream sauce.
